Acknowledgment

First of all, I would like to express my sincere gratitude to my creator Allah for completing my project work with enough time and opportunity.

I would also like to express my gratitude to Teacher Supervisor **Md. Azizul Islam**, Lecturer, Department of CSE, Northern University of Business & Technology, Khulna. His support, inspiration, encouragement, conversation, and the right direction helped me to finish the industrial training on time. It would have been very difficult for me to finish the project work without his proper guidance, valuable advice, and endless patience.

I am grateful to Assistant Professor **Md. Riaz Mahmud**, Head of the Department, for allowing me to go on such a project work. I also want to convey my heartfelt gratitude to all of the faculty members who have worked tirelessly to ensure our success at each and every step along the way.

I would like to thank our entire course mates at in Northern University of Business & Technology, who took part in this discussion while completing the coursework.

Finally, my most profound appreciation goes to my parents for their persistent support and express confidence in me which eventually drove me towards the fulfillment of this Industrial Training.
